I have a friend, [Jeanne Felfe](#), who writes novels and short stories. She also works with other authors to edit their work and aids them in bringing their books to the self-publishing marketplace.

She recently completed her work with one such individual, [Ken Lee](#), and his book [\*Voices from the Bible: An Anthology of Single-Character Plays\*](#):

Long time readers of my blog will know that this is the type of book that would make me do an 180 and run off like a horsefly bitten colt. BUT I do know a lot of folks that this type of literature is right up their alley. So in the spirit of open mindedness I am sharing a link to Jeanne's blog and a chat she had with the author.

To access Ken's book on Amazon.com here is the link: [\*Voices from the Bible: An Anthology of Single-Character Plays\*](#)

Keep well.
