[National Sex Day – June 9th](#)

Grab your favorite love interest(s) this June 9th – or any other day – and celebrate the most wonderful of human pass times. Remember that there are many health benefits of sex, including lower blood pressure levels and a form of stress release. So, just in case you need an excuse.... doctor's orders.

There truly is a day for everything and anything, everybody and anyone.

Laissez les bon temps rouler.
