Quote of the Day... not actually daily, but whenever I encounter one I think worth sharing and there are not too many in sequence. I like quotes as they frequently distill a piece of wisdom into a brief passage, or make other points very succinctly – such as the witticisms of [Oscar Wilde](#).

“Bond, James Bond...”

“Oh, James, you’ve just killed lots and lots of people, and I’m horny as hell.”

~~ Paul Randolph Rush riffing on what ever Bond girl would be thinking if not saying

A wise-ass, but very to the point, comment he made to an email going around amongst my siblings and the 6th Rush Boy. Probably the best exposition of the 007 movies I have ever seen or heard.
