Woody Guthrie wrote this song in 1940 during the Great Depression and Dust Bowl days. In this day of union busting, growing wealth gap, and some say outright class warfare, maybe we need to be reminded of Woody's words. This is land is for all of us, just not a few, and certainly not the corporations that seem to have hijacked our government.

By the way, the gal in the middle of the 3 women singing back up is Moncia Taylor who I do a website for...check it it out.
