

And John Kerry called it...

by Rev. Joe Dirt - Saturday, February 01, 2014

<http://www.curmudgeon-alley.com/and-john-kerry-called-it/>

Speaking at an international security conference in Munich, Germany, Kerry said:

“The aspirations of citizens are once again being trampled beneath corrupt, oligarchic interests – interests that use money to stifle political opposition and dissent, to buy politicians and media outlets, and to weaken judicial independence and the rights of non-governmental organizations.”

Most folks thought he was talking about Ukraine, but sounds a lot like what is going on the good old USA.
