

Is this racist?

by Rev. Joe Dirt - Saturday, September 26, 2009

<http://www.curmudgeon-alley.com/is-this-racist/>

I don't like this man. And at the same time I sometimes feel like we see racism where it ain't.

Howard Cosell (not old enough to remember who this is?) lost his job over a "monkey" remark.

I can see this clip as racist, or given my opinion of Washington in general I can see it as a statement of the reality of the place.

What do you think?
