You've all seen them. Various bumper stickers denigrating socialism, health care reform, anything supposedly Liberal.

There does not seem to be a whole lot of ones out there of the other ilk. How about coming up with a few?

I'll start it off.

Capitalism: Where 10% of the people have 65% of the wealth.

Capitalism: Have you checked your 401k lately.

I love how Korporations manage MY health care.

Canada could teach US about citizen centered government
